## Three More Reasons To Celebrate The Millennium.

**An Offer This Good Only Comes Around Once Every Century.**

Y2K. It's definitely real and headed your way. But, there's no need to panic. AST\* is turning the Y2K problem into an opportunity.

At AST, our complete Y2K-compliant technology solutions are customized to fit the needs of growing businesses everywhere. These turnkey packages include **Y2K-compliant Premia computer systems featuring the Intel® Pentium® III processor**, hardware and software installation, staff orientation and on-going expert support. You'll especially appreciate our comprehensive help desk services and disaster prevention solutions to keep your systems up and running. The result is easy implementation, single point of contact and worry-free systems management.

Call us at **800-611-3662** or visit our website at **www.ast.com** for complete product information and to arrange for a **FREE IT audit (up to a \$200 value)** conducted by one of our highly skilled *Solutions Consultants*. Each is trained to evaluate your business needs with respect to your budget. You'll quickly learn what you need to be more successful in today's market.

Whether visiting our website or calling our toll-free telephone number, be sure to include the special 5-digit **value code** located below.

Your future has arrived today at **www.ast.com**
